Klüberplex AG 11-462 [5kg]

Famille : Aerial lifts

SOUS-FAMILLE : AERIAL LIFTS PARTS

Klüberplex AG 11-461 and 462 are white service and primer lubricants offering excellent protection against corrosion and wear. They ensure efficient operation of highly stressed systems, even in marine environments or after long periods of downtime. Their proven adhesion over many years makes them reliable greases for a variety of demanding environments.
