KLÜBER STABURAGS NBU 12 [1kg] x 6

Famille : Aerial lifts
SOUS-FAMILLE : AERIAL LIFTS PARTS

STABURAGS is a grease formulated with mineral oil and a barium complex soap, meeting all essential requirements. It offers high mechanical-dynamic load carrying capacity and excellent protection against wear. In addition, STABURAGS offers good corrosion protection and resistance to water and many dilute alkaline and acid solutions, which means longer lubrication intervals and lower operating costs.
