## **KLÜBER Klübermatic STAR CONTROL DRIVE 3.0**

**Famille :** Aerial lifts

**SOUS-FAMILLE :** AERIAL LIFTS PARTS

### **Individual automatic lubrication by control and external power supply**

KLÜBERMATIC STAR CONTROL supplies oil or grease to the lubrication point from start-up, ensuring constant, accurate, temperature-independent lubrication. Powered directly by the machine to which it is connected, it can be integrated into the machine's PLC unit for control and monitoring. KLÜBERMATIC STAR CONTROL automatically dispenses a set amount of lubricant as long as it remains powered.
