

MAT WITH PINS "PICOTS"

high performance self-cleaning floor mat

Composition:

100% natural rubber

Applications :

outdoor floor mats for entrances with or without pit for all types of establishments

Benefits :

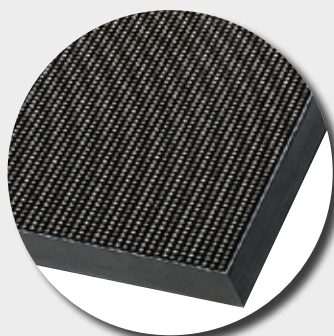

- frost and cold resistant
- flexible, rough pimples that remove dirt from the soles
- effective all year round, both in winter and summer
- perfect grip on the ground
- bevelled edges for a pitless entrance

Color :

black

M51
